

## Project 2 Landscape

Sett 6 epi. 6 inches wide.  $6*6=36$  ends + 2 extra= 38 ends total

### **Tools and materials:**

wooden frame app. 20X20 in,  
wooden stick app. 8-10 in long  
scissors,  
pencil,  
ruler,  
paper tape,  
cotton warp thread,  
wool and acrylic yarn for weft,  
fork,  
piece of cardboard app. 8-10 in long  
paper for the pattern.

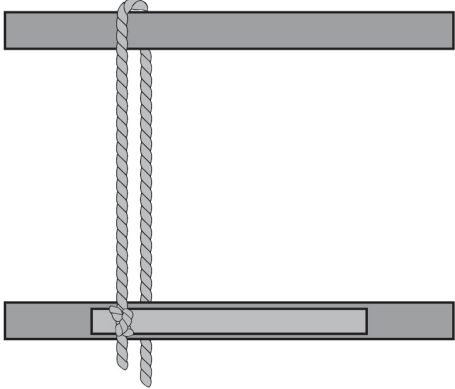

### **Warping the frame.**

- Step 1. Marking the frame
- Step 2. Warping the frame.
- Step 3. Putting cardboard between threads.
- Step 4. Making a chain.
- Step 5. Tying heddles (10 inches long, 18 pieces)
- Step 6. Inserting the ruler into the shed.

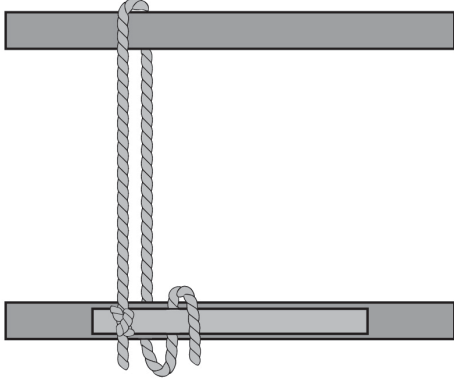

Here you can print 2 variants of the pattern. Or you can make your own design.
